2020_1 Semester

PROGRAMME: M.ED Educational Technology
COURSE TITLE: Instructional Television and Radio
COURSE CODE: EDT834
CREDIT UNIT(s): 2
TIME ALLOWED: 2 HOURS
INSTRUCTION: Answer all questions

1. Learning resources are meant to facilitate instructional process at different levels of education. Attempt a classification of Electronic Educational Media into software and hardware and discuss how these resources could be used to enhance instructional activities in open and distance institution like National Open University of Nigeria **(30 Marks)**.
2. The instructional gap between learners and facilitators could be a major hindrance to teaching-learning process in open and distance education and scholars are rapidly leveraging the capabilities of Multimedia Resources to engage learners in classroom activities. Describe vividly the roles of Instructional Television in engaging distance learners in Instructional Activities **(20 marks)**.
3. (a) Justify the rationale for the inclusion of Radio Instruction in open and distance education, especially in developing country like Nigeria **(10 marks)**.
(b) Differentiate between hearing and listening **(10 marks)**.
