

to be signed. Since the nurse was not present when the primary care provider discussed the surgical procedure, which statement
What were you told about the procedure you are going to have?

[NSC208] If a nurse receives an order from a physician that he or she feels is detrimental to the patient's best interests, the nurse should:
immediately discuss with the physician why the nurse feels that way

[NSC208] One of the major differences between laws and ethics is that laws:
have sanctions for violation that are enforceable.

[NSC208] Ethics is MOST accurately defined as:
behaviour that is consistent with the law and an attitude that society in general expects.

[NSC208] Patient autonomy is MOST accurately defined as the:
patient's right to direct his or her own care and to decide how end-of-life care should be provided.

[NSC208] A nurse's actions are considered to be grossly negligent if he or she:
wilfully or wantonly deviates from the standard of care.

[NSC208] The wrongful act that gives rise to a civil suit is called
a tort.

[NSC208] The concept of consent refers to all of the following, EXCEPT the:
severity of the patient's injury

[NSC208] Akin, an RN on the nursing unit, states to the student nurse,
Libel

[NSC208] Utilitarianism is an approach to ethics that means:
Whatever does the most good and the least harm for the greater number of people.
