

Decomposes on cooling

[CHM305] Aldehydes and ketones are
Simple organic compound

[CHM305] In ketones, the carboxyl group have _____ hydrocarbon attached
2

[CHM305] Based on sized molecule, carbohydrates can be divided into _____
groups
3

[CHM305] Polysaccharide are subdivided into
2

[CHM305] The general chemical properties of oil include this except
Hydrolysis

[CHM305] A Grignard reagent has the formula _____
 R-MgX

[CHM305] Starch is poly-glucose found in
Maize

[CHM305] The properties of cellulose include the following except
d. $\text{C}_6\text{H}_{10}\text{O}_5$ Appear solid at room temperature

[CHM305] Saturated carboxylic acids are solids at room temperature because:
Their regular nature of aliphatic chains allows the molecules to be packed in a close
parallel alignment.
